

Welcome to **Nordan Marine A/S**

Nordan Marine Spare parts for pump type CG for:

- Hamworthy Pump
- Thune Eureka Pump
- Kværner Eureka Pump
- Wärtsilä Pump

Your partner in Marine and Offshore Pumps

Nordan Marine is a specialist supplier of EUREKA centrifugal replacement pumps and spare parts for Thune Eureka, Kværner Eureka, Hamworthy and Wärtsilä centrifugal pumps. With more than 30 years of experiences with these pumps, we know all the details, which ensure that our customers are guaranteed to receive the correct parts.

We work directly with manufactures and carry a large stock of common spare parts. Nordan Marines' spare parts are guaranteed against faults in material, workmanship for three month and for new complete pumps for one year.

In addition, we supply also spare parts for Desmi, Svanehøj, as well as spare parts for Cargo pump system and Safety Valve.

Our experienced service engineers travel around the world on 24 hours basis. They provide full range of services to Deepwell pump, Booster pump, Ballast pump and Safety Relief Valve for Gas Carriers such as LNG, LPG and LEG tankers, Chemical tankers and product tankers.

Our **objective** is to offer our customers the best services and solutions at very competitive prices, and to be first choice brand for total Cargo and Engine Room pumps' service solutions.
