

MARITIME PARTNER

IMPROVING **SAFETY AT SEA.**

UNMATCHED RANGE

Founded in 1994, Maritime Partner is one of the world leading designers and suppliers of workboats, fast rescue boats, patrol and daughter craft to the international maritime, military and offshore industry. For 20 years, we have been improving safety at sea. Our unmatched range of high-speed rescue and patrol boats varies in sizes from 5 to 25 meters. The range includes the strong brands of Alusafe, Seabear, Springer and Weedo.

Worldwide service

Maritime Partner provides worldwide service onboard and ashore by authorised personnel.

Our worldwide service network provides annual certification according to Solas MSC 1206.

Spares

Maritime Partner provides genuine spare parts for all brands registered under Maritime Partner. In addition, we also offer spare parts for renowned davit manufacturers.

Davits

Maritime Partner delivers davits specially designed for all MP-craft, optimized to fit any vessel, both newbuildings and retrofit.

Standby equipment

Maritime Partner is a full-range supplier of first aid, nursing, medical equipment, medicines and consumption articles.

Our standby equipment is constantly up to date, according to recommended standards.

Navy

Maritime Partner is the preferred supplier of an unmatched range of navy and coast guard boats. Designed for rough waters, where rapid-response operations are required.

Merchant

Maritime Partner offers a range of dedicated rescue craft for use in the merchant fleet. Designed for fast response in emergencies, where survival may be measured in minutes.

Offshore

We are pushing the boundaries for fast rescue daughter craft (FRC and FRDC), with proper performance in all conditions. High manoeuvrability and speed, meeting North Sea standards.

Marketing

Maritime Partner has a long tradition of excellent craftsmanship. Our boats are built to comply with IMO regulations as well as DNV GL and other classification societies. We are located in new facilities in Ålesund, in the heart of the Norwegian maritime cluster. Our Asia office, Maritime Partner Asia Pte Ltd, is located in Singapore, and is responsible for service and sales in the region, in co-operation with our agents and service partners.

"We take great pride in our high quality products, and ensure our clients the best possible service anywhere in the world – anytime."

Patrol

Our patrol boats offer outstanding seaworthiness, required for rapid response operations in rough waters.

Workboats

We are the preferred supplier of versatile, dependable and rigid workboats, adaptable to any environment. A safe working platform at sea.

SAR

As a supplier of an unmatched range, Maritime Partner is extending the boundaries for Search and Rescue boats, without compromising safety. Our large independent boats are versatile and robust, designed for extreme conditions.
